To Whom it May Concern,

Last spring Surfacing Systems installed rubberized safety surfacing on our rooftop play area. Erick Prinz and his crew worked diligently and completed the job within the time frame given. They left our play area immaculate and ready for children. Since then Mr. Prinz has been back to check on his work and was quite pleased with the results, as are we.

Everyone at Surfacing Systems was a pleasure to work with and I recommend them highly.

Sincerely,

Adrian Hood
Director
